Funding
a future where
Autistic Australians
can realise their
potential

What is the Aspect Impact Fund?

The Aspect Impact Fund is a bold, long-term initiative that ensures Autistic Australians can thrive for generations to come.

Your gift is invested in perpetuity. The principal remains intact, while the earnings provide sustainable funding for education, employment, research, and inclusion.

This is not a one-off donation. It's a legacy.

Why it matters...

1 in 40

Australians are on the autism spectrum.

18%

Autistic Australians experience unemployment, nearly six times the rate for people without disability.*

\$500,000

Provided every year by Aspect, in scholarships and fee relief to ensure Autistic students can access education.

With the Aspect Impact Fund, these vital opportunities will be secured forever.

With the Aspect Impact Fund, these vital opportunities will be secured forever.

Our vision

To create a permanent, self-sustaining fund that fuels opportunities for Autistic Australians to realise their unique potential, today, tomorrow, and for generations to come.

How it works...

YOU GIVE:

The donation is received; \$100,000+ unlocks naming rights (e.g. The John Brown Family Sponsorship Fund).

WE INVEST;

Managed by Evans & Partners, a trusted investment partner.

YOUR GIFT GROWS;

The principal is preserved; earnings are distributed (approx. 4% per year).

BRILLIANT FUTURES ARE FUNDED;

Scholarships, research, and programs in perpetuity.

Your impact

By joining the Aspect Impact Fund, you:

- Provide long-term financial stability for vital programs.
- Attract other philanthropists to build momentum.
- Create a lasting legacy through naming opportunities.
- Enjoy tax benefits while making systemic change.
- Build trust by supporting a fund with strong governance, overseen by Aspect's Finance, Audit & Risk Committee.
