## Acknowledgement & Commitment

### **Acknowledgement to Indigenous Australians**

The Board of Autism Spectrum Australia (Aspect) and Aspect employees acknowledges Aboriginal and Torres Strait Islander peoples as the First Nations Peoples of Australia. We acknowledge the cultural and spiritual connections that First Peoples have with the land, waters and sea. We acknowledge our Aboriginal and Torres Strait Islander people working at Aspect and accessing Aspect services and extend that acknowledgement to all Aspect employees and service users.

### **Commitment to Indigenous Australians**

The Aspect Board and staff are committed to working with Aboriginal and Torres Strait Islander peoples to implement our Reconciliation Action Plan (RAP). The RAP is driven by the Aspect Strategic Plan and supports Aspect's continuing growth of knowledge and cultural competence. Our vision for reconciliation is a country built on respect, acknowledgment and unity with Aboriginal and Torres Strait Islander peoples and their cultures. We recognise the impacts of our shared history on First Nations peoples. We acknowledge their continual strength, resilience and commitment to equality. We are committed to working alongside Aboriginal and Torres Strait Islander peoples and their communities, walking together to deliver the best outcomes.

We aim to work in partnership to:

- Engage in shared learning alongside Aboriginal and Torres Strait Islander peoples to understand the truth of our nation's history;
- Continue to recognise the struggle for equal rights and opportunity as we build positive, safe and meaningful relationships with communities based upon trust and respect;
- Celebrate the rich histories and cultures of First Nations peoples by creating an environment of physical, spiritual and emotional sensitivity and safety;
- Actively listen and collaborate with our Aboriginal and Torres Strait Islander colleagues and stakeholders in our planning, research, service delivery, community development and all communications;
- Understand and celebrate the strengths and aspirations of people on the autism spectrum and provide culturally responsive services, being safe and accessible.
