

## Help Australian businesses better **support Autistic staff**

Are you an Autistic adult OR a parent of an Autistic person working in a small or medium business (200 or less employees) in Australia?

We need your help! Participate in our research study to help us better understand what helps and hinders Autistic people to work in small and medium businesses.

### What will you do?

- Complete a short survey (10–15 minutes) and
- Be interviewed by email, phone or Teams (30–45 minutes)

### Further information
